

The Graduate College
Undergraduate Research Opportunities Consortium
Presents:

UROC's 28th Annual Poster Session

Monday, August 7, 1-3pm

Student Union Grand Ballroom

One hundred and sixty graduate school-bound undergraduates from UArizona and schools across the United States will present their summer research.

For a list of programs and students visit our [website](#).

Sponsored by the National Institutes of Health, National Science Foundation, Western Alliance to Expand Student Opportunities (WAESO), U.S. Department of Energy, U.S. Department of Education, and the University of Arizona.
